Ms. Castelo said her son and a friend, Jeremiah Delk, stole approximately 200 pounds of marijuana in January 2007 from drug dealers operating in the area of Naco, AZ. Phone threats to the family began soon afterward. Ms. Castelo told Conoff that at 11:30 PM on the evening of February 8 her son visited a friend in Bisbee, AZ. Ms. Castelo also said on February 19 a confrontation involving her son took place in her son's apartment complex. During this incident, though several shots were fired, nobody was killed, but her son was possibly kidnapped. She believes her son may have been transported to Naco, Sonora, Mexico.

6. Ms. Castelo informed Mexican authorities in Naco and Agua Prieta on February 10 of her son's disappearance. She has also contacted Bisbee, AZ police and FBI authorities in the U.S. to ask for their assistance.
